

Fast, Comprehensive, & Centralized IDG

- **IDG Update Forms are pre-populated with frequencies & team members. The information flows from IPOC for new patients and from previous IDG updates for existing patients. Team info is pre-populated from the Team Tab in the patient's chart.**
- **If all details have not been completed the form will pull whatever information is available & you can complete the remaining fields.**
- **Narrative fields are not pre-populated and must be completed for each IDG**
- **IDG Update Forms are created in an editable state. You can correct, add, delete, edit every field when creating the form.**

IDG Dashboard Step 1 - Navigate to the Dashboard

1. Click 360° in the header bar
2. Select: IDG Dashboard

Your Hospice Agency  Home  Patients  Tasks  360°  More Office: 

Dashboards

HIS

- [HIS Dashboard](#)
Use this to create or export Hospice Item Set ("HIS") forms for transmission to CMS

CAHPS

- [CAHPS Data](#)
Use this for reviewing and sending decedent and discharge data to comply with CAHPS Hospice Survey requirements from CMS

IDG

[IDG Dashboard](#)

Use this for reviewing relevant IDG information, creating IDG meeting agendas, and as a dashboard for managing IDG updates.

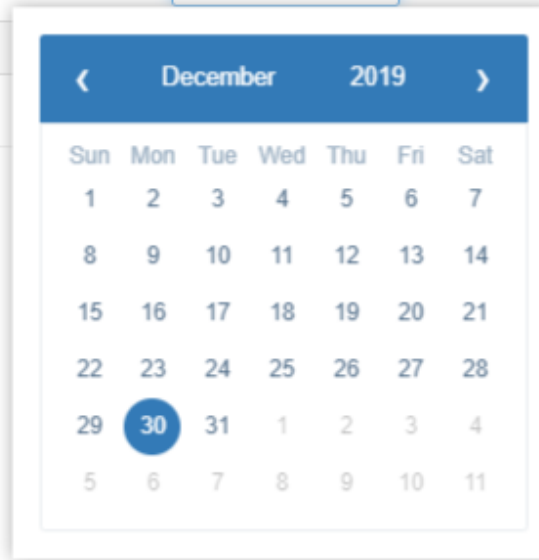

IDG Dashboard Step 2 - Enter IDG Period

1. Enter the date of your last IDG
2. Enter the date of your current IDG
3. Select by Case Manager or Show All
4. Click Search

IDG Dashboard

Last IDG Date: Current IDG Date: Case Managers:

No data available for the selected dates

IDG Dashboard Step 2 - Review & Start Updates

IDG Dashboard

Last IDG Date: 12/16/2019 Current IDG Date: 12/30/2019 Case Managers: (Show all) Search

Jump To: Discharges & Revocations (0) | Admissions (0) | Recertifications (1) | Ongoing (21) | Deaths (0) Print

IDG Agenda - 12/30/19 Your Hospice Agency - North IDG Agenda - Monday 12/30/19 Last IDG was Monday 12/16/19 Generated on 01/07/2020 10:20:02 AM Total Patient Count: 22
