Caregiver : Relationship

Relationship has been changed from a free-text field to a drop-down box with many common relationships. This can help minimize errors from typos and improve reporting.

A screenshot of a dropdown menu for caregiver relationships. The menu is open, showing a list of options. The top option, 'Wife', is highlighted in blue. The list includes: Wife, Husband, Spouse / partner, Daughter, Son, Child, Mother, Father, Parent, Brother, Sister, Sibling, Grandchild, Other (family member), Friend, Other (non-family member), and Unknown.

Sister
Sibling
Grandchild
Other (family member)
Friend
Other (non-family member)
Unknown

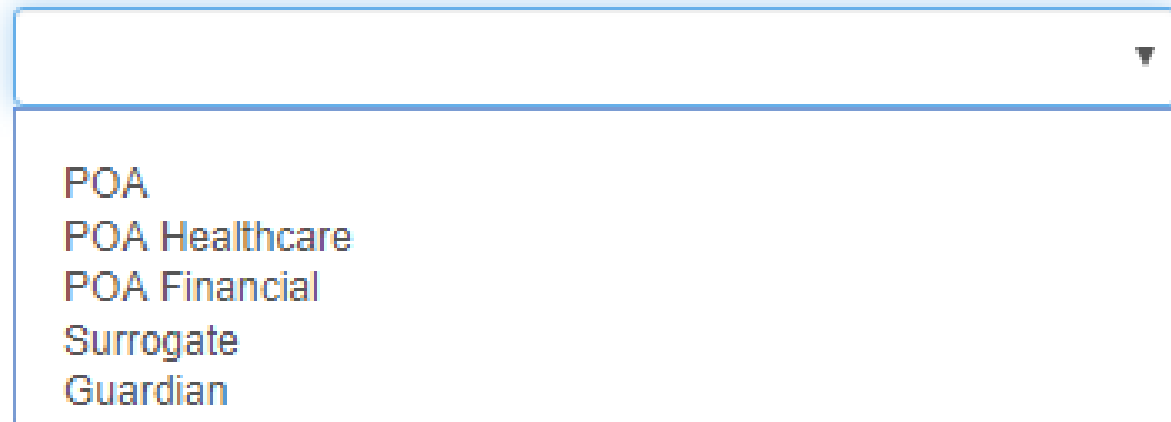

Caregiver : Relationship Other

If a specific relationship option does not apply, you can select “Other (family member)” or “Other (non-family member)” and enter custom information in the **Other Note/Info** field. This field can also be used to capture quick notes that will aid in communications with a caregiver.

Relationship: *	Other (non-family member) ▼
Legal Status:	▼
Primary Language:	Spanish ▼
Other Info/Note:	Neighbor (only available weekends)

Caregiver : Legal Status

The **Legal Status** field can be used to capture and additional status that a caregiver has, such as POA or Guardian.

A screenshot of a dropdown menu for the 'Legal Status' field. The menu is open, showing a list of options: POA, POA Healthcare, POA Financial, Surrogate, and Guardian. The dropdown is enclosed in a blue border and has a small downward-pointing arrow in the top right corner.

- POA
- POA Healthcare
- POA Financial
- Surrogate
- Guardian

Caregiver : QuickView

All this information is available at a glance when viewing a caregiver listing in the chart:

Margie Miller - Primary Caregiver

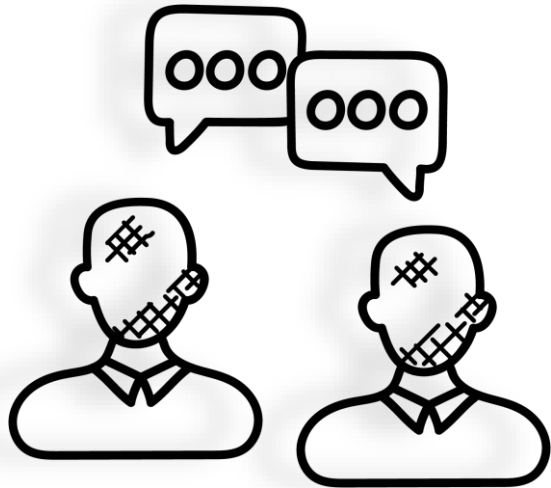

Relationship: Daughter (POA Healthcare)

Other Info: only available weekends

Language: English

1384 Drainer Ave

Crestview, FL 32539
